

Two-year
limited warranty

High-performance, industry-leading rod assembly (PGI / Fireball) includes:

- **Ultra-smooth chrome plated rods**
 - Precision-ground tubular rods with 0.120" wall thickness.
- **High-lubricity materials**
 - Nylon bushings and rods result in exceptional play performance with minimal friction wear
- **Gear box clutch system**
 - Engineered clutch design, once exclusive to coin operated hockey games, prevents damage to hockey player or gearbox when opposing players are battling for the puck.
- **Steel-supported men with 2:1 turn ratio**
 - Steel rod supports allow torque and pressure to be applied to the clutch
 - 360 degree player turn requires only 180 degree handle turn
- **Palm friendly handles**
 - Two-phase TPR injection: combines a hard-core inside and a soft surface layer. This makes best comfort, control and tight fit on rods with no wraps needed

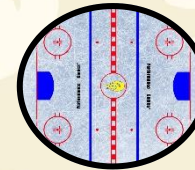

The Ice Boxx Deluxe

All of the Enjoyment of Hockey Without Leaving Home

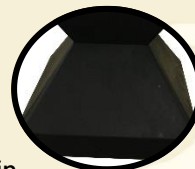

Playfield design includes:

- Supported by a system of integrated aluminum extrusions and MDF supports
- Customizable playfield
- Attractive playfield graphics
