Pedestal

High-performance, industry-leading rod assembly (PGI / Fireball) includes:

- **Nylon 6 bushing**
 - Oil impregnate bushing for lower resistance
- **Industrial grade high tensile steel rods**
 - Ground and treated with high-tech anodizing process (QPQ) into a stainless steel color
 - Higher resistance against wear and corrosion
 - Fabrication and treatment ensure exceptional strength against bending
- **Optional telescoping rods**
- **Counter-balance men with ultimate foot design**
 - Enables full ball control with easy catch, pass, and shooting
 - Seamless side surface facilitates tic-tac motion.
 - Sharp edges in front make bank shots easy
- **Men and handles attached with double-wound spiral pins**
- **Non-binding silicone bumpers**
 - For better cushioning and longer life with PVC washer which keeps bumpers from sticking
- **Palm friendly handles**
 - Two-phase TPR injection: combines a hard-core inside and a soft surface layer. This makes best comfort, control and tight fit on rods with no wraps needed
